Application (Re-Zone Bartlett Street) is a request by the City of Orofino Planning and Zoning Commission to offer a recommendation to the city council on a proposed zoning district boundary change from Single-Family Dwelling District (R-2), to Mixed Use District-Sales and Service, R-2 Residential District (MXD). No supporting testimony and no opposing testimony

Uncommitted testimony:
Mr. Joseph Pippenger [1130 Ellis Avenue, PO Box 911, Orofino, ID 83544] had questions regarding which lots are being proposed for the zone change. Administrator Perry explained. Mr. Pippenger explained how he supports the economic development for the future use on this property but does have concerns for the traffic and high speed. He has asked for signs for School Zone to help with the speeding as there are lots of children on bicycles, playing, ext. The School Zone would give the City Police more teeth and they could use the school zone signs by the old Junior High. He suggests this as a condition, if approved, to the Planning and Zoning Commission.
Written and verbal correspondence:
On July 15, 2020, City Staff received a note from Ann Schuyler [914 Kalaspo Avenue, PO Box 163, Orofino, ID 83544] with her concerns on the impact of Bartlett Street families if the property is re-zoned.

On July 16, 2020, Clearwater County Economic Development Coordinator Chris St. Germaine [217 1st Street, Orofino, ID 83544], submitted a letter asking the commission to not rezone the property and use the Special Use Process for future development.

On July 20, 2020, City Staff received a letter from Jesse and Kim Osborne [902 Walrath Avenue, PO Box 1565, Orofino, ID 83544] and they highly oppose the rezone for several reasons. Those reasons are summarized as the following: additional traffic on Bartlett Street, possible environmental hazards and drastic reduction in property values.

Administrator Perry had no rebuttal but did further explain this area and the existing uses, special uses, and outright uses currently allowed.

Debate and Discussion:
The Commission discussed the request for the rezone and if changed, the uses allowed in the MXD. If it remains R-2, then the Special Use process would be used to direct future development.

There being no further debate or discussion, Commissioner Steiner made the MOTION: “I move that the Planning and Zoning Commission recommends to the City Council, as governing board, denial of the application (Re-Zone Bartlett Street) to rezone the properties at 433 and 510 Bartlett Street based on the information discovered at the hearing.” Commissioner Blimka second.

There being no further discussion among the Commission, Interim Chairwoman Kaufman put the motion to a roll call vote: Commissioner Carver-Yes; Interim Chairwoman Kaufman-Yes; Commissioner Steiner-Yes, and Commissioner Blimka-Yes. The motion passed unanimously. The City of Orofino City Council, as governing board, will make a final determination of the request on Tuesday, July 28, 2020.
